

Call to interested third parties to express themselves on the new Lithuanian tariff methodology submitted for review of the Agency under Article 7(4) of (EC) Regulation No 713/2009

On the 11th November 2014, the Agency for the Cooperation of Energy Regulators (“the Agency”) was requested by NCC, the Lithuanian NRA, to provide an opinion under Article 7(4) of (EC) Regulation No 713/2009 concerning the new tariff methodology for the entry-exit system in Lithuania, and in particular concerning the division of costs between transit and domestic users.

The consultative meeting to discuss the case with interested third parties will be organised at the Agency’s premises in Ljubljana, on the 9th February 2015, from 14.00 to 17.00 hours (6th floor meeting room). Virtual participation is also possible subject to the confirmation of your presence.

Please kindly confirm your participation as interested party by the 5th February 2015 at R2_2014@acer.europa.eu.

In case you would like to share written observations about the case, please send them to the following mailbox by the 16th February: R2_2014@acer.europa.eu.
