

Annex B - Form for providing respondents' feedback on proposed changes

Proposed change No. *

A.3.1

Respondent's view *

JAO does not support this "simplification" as it implies changes to an existing well working exchange of data based on existing industry standards. This change does not only bring with it risks in terms of implementation but also implies costs for all entities, including JAO which must make changes to existing systems.

*** Mandatory field. The feedback may not be considered if a mandatory field is left blank.**
