Dear Sirs and Madams,

Thank you very much for the opportunity to contribute to the approach to decide on the booking platform at the German-Polish border. As you know, this issue is of very importance for ONTRAS and we are happy to contribute with our experience to the overall process. Please find enclosed our response to Public Consultation PC-2019-G-03 on booking platform Germany – Poland. This response is not confidential and can be published without restrictions.

Please don't hesitate to contact us if you have any questions.

Best regards
