2511 WB The Hague

Dear Peter,

Following the last Board of Regulators on 6 April in Brussels, you informed the Board and the Commission representative that Luxembourg expressed its interest to join the Gas North West Regional Initiative. The Chair then invited the Commission to clarify whether such initiative was welcome.

I would hereby like to confirm that the Commission has no objections what so ever to the participation of Luxembourg to the Gas North West Region.

With my best regards,

Heinz Hilbrecht
