

Date	Events (May-Dec 2021)	Topic
10/05/2021	Workshop (1) on CACM regulation amendments: market coupling governance, development and operation	Electricity
10/05/2021	Workshop (2) on CACM regulation amendments: capacity calculation & bidding zone review	Electricity
20/05/2021	Webinar on the preliminary results of the study on barriers to price formation and new entrants, for electricity	Electricity
27/05/2021	Workshop on the ACER proposed Framework Guidelines on cybersecurity	Cyber Security
24/06/2021	Webinar on the approach to propose alternative bidding zone configurations	Electricity
06/07/2021	ACER-CEER Market Monitoring Report (MMR) - Wholesale Gas Webinar	Gas
09/07/2021	ACER workshop on the long-term cross-border capacity calculation methodology for the Core Region	Electricity
14/09/2021	ACER-CEER webinar on methane	Gas
27/10/2021 (14.00-15.30)	Sustainable Energy Week event co-organised by ACER, ENTSO-E, currENT, WindEurope, Copenhagen School of Energy Infrastructure	How to achieve climate neutrality through grid enhancing technologies?
25, 26, 28 Oct	Energy Market Integrity and Transparency (EMIT) Forum (webinars)	REMIT
05/11/2021	ACER-CEER Market Monitoring Report (MMR) - Electricity Wholesale Webinar	Cross-sectoral
09/11/2021 (date tbc)	Tariff Webinar (1)	Electricity
10/11/2021	ACER-CEER Market Monitoring Report (MMR) - Retail/Consumer Protection Webinar	Cross-sectoral
10/11/2021 (date tbc)	Tariff Webinar (2)	Electricity
Q4	Roundtable meeting with Organised Market Places (OMPs) on data reporting	REMIT - data reporting
Q4	Roundtable meeting with Associations of Energy Market Participants (AEMPs) on data reporting	REMIT - data reporting
Q4	Registered Reporting Mechanisms (RRMs) User group meeting on data reporting	REMIT - data reporting
Q4	Roundtable meeting with Inside Information Platforms (IIPs)	REMIT

## Target Audience

Industry/industry association; TSOs; DSOs, exchanges; market participants; Ministries; NRAs; European Commission etc.

Industry/industry association; TSOs; DSOs, exchanges; market participants; Ministries; NRAs; European Commission etc.

Industry/public/TSOs/government agencies

Electricity stakeholders and cyber experts

Industry/industry association; TSOs; DSOs, exchanges; market participants; REMIT participants; Ministries; NRAs; European Commission etc.

Industry/industry association; TSOs; DSOs, exchanges; market participants; Ministries; NRAs; European Commission etc.

Industry/industry association; TSOs; DSOs, exchanges; market participants; Ministries; NRAs; European Commission etc.

Industry/industry association; TSOs; DSOs, exchanges; market participants; Ministries; NRAs; European Commission etc.

Wide audience (beyond the energy sector)

Industry/industry association; TSOs; DSOs, exchanges; market participants; REMIT participants; Ministries; NRAs; European Commission etc.

Industry/industry association; TSOs; DSOs, exchanges; market participants; REMIT participants; Ministries; NRAs; European Commission etc.

Closed (by invitation only)

Industry/industry association; TSOs; DSOs, exchanges; market participants; REMIT participants; Ministries; NRAs; European Commission etc.

Closed (by invitation only)

Organised market places (energy exchanges, broker platforms)

Associations of market participants (industries, TSOs)

Registered reporting mechanisms (industries, organised market places)

Inside information platforms (ENTSOs, TSOs, organized market places, industries)
