Ljubljana, 25/10/2018

**The Board of Appeal dismissed an appeal brought against
ACER Decision No. 05/2018**

On 17 August 2018, the Board of Appeal received an appeal brought by AQUIND Limited, UK company, seeking the grant of an exemption for the AQUIND Interconnector as requested originally in the exemption request submitted to the Agency for the Cooperation of Energy Regulators in a procedure, which led to ACER Decision No. 05/2018 of 19 June 2018.

The appeal has been registered under case number A-001-2018.

After careful consideration of the merits and hearing of the parties and expert-witnesses, the Board of Appeal found the appeal unfounded.

The non-confidential version of the final decision of the Board of Appeal was published on the website of the Agency on 24 October 2018.
