

PRESS RELEASE No 3/19

Ljubljana, 22/08/2019

**The Board of Appeal dismissed appeals brought against
ACER Decision on the ‘HUAT’ incremental capacity project proposal
between Austria and Hungary**

On 6 and 7 June 2019, the Board of Appeal received appeals brought by MEKH, National Regulatory Authority (NRA) of Hungary and FGSZ Zrt., seeking annulment of ACER Decision No. 05/2019 on the Incremental Capacity Project Proposal for the Mosonmagyaróvár Interconnection Point (‘HUAT project’).

The appeals have been registered respectively under case numbers A-004-2019 (MEKH) and A-005-2019 (FGSZ). The two appeals were later merged into A-004-2019 (consolidated).

After careful consideration of the merits and hearing of the parties and an expert-witness, the Board of Appeal found the appeals partially inadmissible and unfounded in the remaining part.

The non-confidential version of the final decision of the Board of Appeal was published on the website of the Agency on 20 August 2019.
