Workshop objective:

With this joint workshop, ACER and the European Commission intend to:

- present the preparatory work for the revised REMIT implementation;
- encourage stakeholders' active involvement in both the implementation of the revised REMIT and in the creation of ACER guidance documents.

ACER and the European Commission will use the insights from the workshop to inform the preparation of ACER's new guidance documents on the revised REMIT Regulation.

This event replaces the traditional annual ACER REMIT Forum.
