ACER initiates the procedure ref. ACER-ELE-2023-002 to adopt a decision on the all TSOs' proposal for a harmonised cross-zonal capacity allocation methodology pursuant to Article 38(3) of Commission Regulation (EU) 2017/2195 establishing a guideline on electricity balancing.

On 16 December 2022, all TSOs submitted to ACER their proposal to harmonise the methodology for the allocation process of cross-zonal capacity for the exchange of balancing capacity or sharing of reserves per timeframe pursuant to Article 38(3) of Commission Regulation (EU) 2017/2195 ('EB Regulation').

According to Articles 5(2)(g) and 5(6) of the EB Regulation, ACER shall decide on this matter within 6 months, i.e. by 16 June 2023.

In order to inform its assessment, ACER invites interested third parties to submit their observations on the proposal during a four-week public consultation in April 2022.
