

 Agency for the Cooperation
of Energy Regulators

Ljubljana, 28.09.2012
ACER/2012/OB/mv/956

Invitation to tender no. ACER/OP/ADMIN/17/2012

**Supply of office stationary and office material for the Agency for the Cooperation of
Energy Regulators**

Answer to question no. 1

Question no. 1:

My question relates to the item no. 32 - invisible tape 19mm x 33mm. This is not a standard dimension. 19mmx33mm tape is a transparent clear tape – item no. 30. The invisible tape has the dimension 15mmx33mm. Within the listed items this one is missing (the dimension 19x33 also does not correspond to the item no. 76 – tape dispenser small. Please confirm the correct dimension of the tape is.

Answer no. 1:

The correct dimension of invisible tape for office (item no. 32) is 15 mmx33mm. The description of the item no. 32 should read: Invisible tape for office, dimension 15 x 33 mm, invisible when applied, can be written on, does not ghost when photocopied. When filling in Annex II Price quote the tenderers have to take this description into account.

Povabilo k oddaji ponudb št. ACER/OP/ADMIN/17/2012

Dobava pisarniškega materiala za Agencijo za sodelovanje energetske regulatorjev

Odgovor na vprašanje št. 1

Vprašanje št. 1:

Moje vprašanje se navezuje na postavko 32. prozoren selotejp 19mm x 33mm / to ni standardna dimenzija (19mmx33mm je bel neviden selotejp, vaša postavka; 30) / navaden majhen selotejp je dimenzije 15mmx33mm – ta artikel v sklopu naštetih selotejfov manjka (dimenzija 19x33, ne ustreza stojalu za selotejp - postavka 76.). Prosim vas, da sporočite katero dimenzijo selotejpa naj ponudimo.

Odgovor št. 1:

Prava dimenzija nevidnega selotejpa, artikel št. 32, je 15mmx33mm. Pravilni opis za artikel št. 32 je: »Selotejp, dimenzija 15 x 33 mm, neviden ob nanosu, se lahko piše nanj, neviden pri kopiranju. Pri izpolnjevanju Priloge II Finančna ponudba morajo ponudniki upoštevati slednji opis.
